FRIDAY TIME-OUTS

Online pitstops for busy people

You always have a lot going on in your job? Partners, family, friends and hobbies are demanding time and energy as well?

Take some time-out from your daily routines. Close the week by directing your attention to yourself. Expand your strategies for mastering challenges with clarity and composure. Resume control of your (professional) life. You will receive impulses, get to try out various approaches and exchange ideas with people in comparable situations.

Four online sessions à 60 minutes from 5-6 p.m. each:

Next course – in German

January, 22nd & 29th,
February 5th & 12th, 2021

Next course – in English

March, 19th & 26th,
April 16th & 30th, 2021

Your investment: 48 Euro
